ISRAEL MAIL BID SALE # 11

It has been a few months since our last mail sale but this time I think we have out done ourselves. Listed in this sale is some of the most remarkable material we have ever had to offer for sale. We bought collections all summer and have been saving some jewels for this sale. Look over the medal section. Some pieces are being offered for the first time in any sale in the United States. As in the past, all successful bidders will be notified and invoiced for their lots. Postage & Handling are extra. All lots will be shipped immediately upon receipt of payment. PLEASE ALLOW TIME FOR PERSONAL CHECKS TO CLEAR. Since holiday time will be around when these lots go into the mail, if you desire it and include such notice on your bid sheet YOUR LOTS WILL BE MAILED VIA REGISTERED MAIL. LOSSES AND DELAYS ARE HIGH THIS TIME OF THE YEAR. Please let us know. Let us review once again, the simple rules for this sale.

- 1- The purpose of this sale is to enable you to bid WHAT YOU WANT for material listed in this sale.
- 2- Reasonable estimates are listed as guidelines. Bid what you may like, unless a minimum is stated, . Many lots go for under the estimate and many above it.
- 3- THIS IS NOT AN APPROVAL SALE. You will be expected to honor your bids. Those bidders who don't honor their bids only deprive the next highest bidder the privilege of receiving the lot. IF THAT IS YOUR INTENTION-DON'T waste both our time.
- 4- There is no, " BUY AT ANY PRICE", bids accepted. We have provided a place on the bid sheet where you may have your bid increased a certain % to obtain a lot if necessary. LOOK FOR IT ON THE BID SHEET.

THIS SALE CLOSSES Monday December 6, 1971

Good Luck,

AMERICAN NUMISMATIC SOCIETY

Sincerely,

 6. A unique set of PIDYON-HABEN MEDALS- Struck in 1967 by the Shekel company of Israel, these 30mm silver medals, housed in a magnificent olivewood chest meet all specifications of the Pidyon Haben ceremony. OFFICIAL TOWN & CITIES PRESENTATION MEDALS OF ISRAEL

59mm Bronze (Uniface)

Upon the advice of a dealer in Israel we recently sent a scouting expedition, (via the U.S. mails) to certain cities and towns in Israel. We were told that each municipality had in it's possession an official medal used there that was presented by the city fathers on various occasions and in various ways. Struck uniface(1 sided) this medal often was mounted on a plaque and inscribed to the recipient or visiting dignitary.

We were advised by the various city administrators that these medals have been around since the early days of Israel but were constantly being struck as the need arises. In addition, THESE MEDALS ARE NOT FOR SALE TO ANYONE.

Not happy with that, we wrote several of our contacts in Israel and asked for any pieces available through the numismatic channels. WE ARE HAPPY TO ADVISE THAT HAVE SECURED A SMALL ASSORTMENT OF the 10 DIFFERENT MEDALS. They are as follows:

- 1- Bat Yam
- 2- Kiriat Ono
- 3- Petah Tikvah
- 4- Herzilia
- 5- Akko
- 6- Haifa
- 7- Menasheh
- 8- Netanya

THE MARCHING & SPORTING MEDALS OF ISRAEL comprise the next series of lots we offer for your consideration. Our past publications have indicated the unique nature of these pieces. Israeli inhabitants, noted for their love of the countryside, participate the year around in various marches commemorating various historical aspects of Israel. Each participant is presented with a medal for taking part. INTEREST IN THESE PIECES IS AT UNUSUALLY HIGH LEVELS AND THERE IS NO PLACE THAT THESE PIECES CAN BE PURCHASED. Each piece must be secured from a participant and considering the varieties offered below you can see how much time that would take. Please look over the lots and accompanying articles carefully.

3-DAY MARCH DRAWS RECORD PARTICIPATION

Jerusalem Post Reporter

A record 20,000 participants are expected to turn out for this year's Three-Day March, April 5 to 7.

This year's march commander, Aluf-Mishne Gershon Peled, told the press yesterday that between 800 and 900 persons from abroad are expected to join Israeli soldiers, civilians and Gadna youth.

The adult marchers will begin assembling at the tent city at Bethel, north of Ramallah, which has served as base camp since 1969, on Sunday, April 4. The first day's march will start early the following day. On the final day, the marcher's will leave the base camp for Jerusalem, where a concluding parade will be held in the afternoon. A/M Peled said that this year the parade will be limited to one and a quarter hours, half the previous length. Among contingents participating for the first time are marching groups from the Jewish Agency and the State Controller's office.

Gadna youth will, as usual, march only two days, April 6 and 7. Their base camp will again be in Emek Zion, between the Hebrew University and Beit Hakerem. This year, however, their tents will be shifted to the wooded area where they are less likely to disturb neighbours who in previous years have complained about the noise from the camp.

The oldest persons to register so far are two 76-year-old men. There are also a 74-year-old man and a 74-year-old woman.

83 Km. AND 53 Km.

The total length of the march for adults is 83 kilometres but "mature" participants are expected to march only the last two days for a total of 53 kilometres.

Conditions at the Bethel camp will be improved this year, with an unlimited supply of piped-in water replacing the tanker trucks which occasionally ran dry. There will also be more Shekem canteens serving hot meals. Egged will again be running a special service to the camp and persons who wish may sleep in Jerusalem and catch an early bus to the camp each morning to join the day's march.

Leading entertainers will perform at the camp each evening. On the night of April 6, 1,000 tourists will be bused to the camp by the Ministry of Tourism to watch the show in the camp's amphitheatre.

March commander Aluf-Mishne Gershon Peled, with the Bethel encampment seen behind him.
